## ACTIVITIES OF BIO DIVERSITY CLUB

- **Special lecture on “Global environmental issues: Policies and challenges”:** A lecture on the topic ‘Global Environmental Issues: Policies and Challenges’ was jointly organized by Department of Botany, Devaswom Board College, Thalayolaparambu and Breakthrough Science Society, Kolkata on 24<sup>th</sup> September 2019. The speaker of the session was Sri. P N Thankachan, Rtd. Faculty, RIT Pampadi, Kottayam. This was an interactive session which addressed the impact of environmental hazards on human societies. The lecture benefitted the students and helped to inculcate a sense of environmental consciousness in them.

### Lecture on “Global environmental issues: Policies and challenges”

- Seminar on “Multidisciplinary aspect of Environmental Science”:** A state level seminar was organized by the Botany association on ‘**Multidisciplinary aspect of Environmental Science**’ on 1/10/19. The session was handled by Dr Syllas, Assistant Professor, School of Environmental Sciences, M G University, Kottayam. The main objective behind the conduct of the programme was to create an awareness among the students on the importance of environmental conservation and sustainable development.

## **ACTIVITIES OF NSS**

- **Cleaning of Thalayolaparambu Park-**

Certainly! Without specific details about the event, I can provide a general description of a typical cleaning program organized by an NSS (National Service Scheme) unit at a college. The NSS unit of Deva Swom College in Thalayolaparambu organized a village park cleaning program with the aim of fostering community service and environmental awareness. The event likely involved NSS volunteers and community members coming together to clean and beautify the village park, emphasizing the importance of maintaining a clean and green environment.

## **ACTIVITIES OF NCC**

- On June 4, 2019, the NCC unit of Devaswom Board College, Thalayolaparambu marked World Environment Day with a dual approach, tree planting and campus cleaning. To promote environmental awareness, a quiz competition was organized.

**Planting tree saplings by Principal**

**Campus cleaning by NCC Cadets**
