AFFILIATED TO MAHATMA GANDHI UNIVERSITY, KOTTAYAM

E Governance Report 2020-2021

In the year 2020-2021, due to COVID 19 Pandemic, all the administrative and academic operations of Devaswom Board College Thalayolaparambu were in online mode with minimal physical contact. During that period, functioning of the college mainly relied on E governance and which provided a flexibility to change from the traditional modes to remote learning and administrative management to provide a safe and efficient functioning.

Most of the communications during that period were carried out through e mail, messaging Apps, social media platforms etc. Students and teacher's groups were created to facilitate communication. Classes were conducted mainly using video conferencing tools like Google meet and Zoom. In addition to live sessions, recorded lectures also made available to students asynchronously. Some students were having network issues and these recorded lectures enabled them to review the material at their own pace.

Another e governance strategy college adopted were the conduct of awareness programmes to teachers and students to facilitate remote learning.

Since most of the students were lacking e tools during that period, alumni and other associations in collaboration with the college contributed funds or hardware support to those who lacks the access to technology. Teachers also facilitated mobile recharge for students in need.
