E Governance Report 2021-2022

In the year 2021- 2022, college marked significant progress in the implementation and utilisation of e governance initiatives. In response to the challenges posed by COVID 19 pandemic, college continued to prioritise digital transformation efforts in administrative as well as academic matters. The new additions to the already existing strategies mainly include the following:

- Purchase of printer - College purchased a good quality printer for the ease of conduct of university exams
- Extension of LAN to departments- The classes were in blended mode In the beginning of the academic year, conduct of classes were in online mode from college. Therefore, in order to provide reliable connectivity to faculty for the smooth conduct of online classes, college set the objective of LAN to departments and class rooms
- Installation of CCTV Cameras were also done during the same academic year which is considered as another e governance strategy which provide the administrators the remote access and control
- Upgradation of library management software is also done by installing KOHA in place of GRANDHA.
- Many teachers start the practice of using as LMS for course creation, content delivery assessment and communication
- Conducted a Digital Media Literacy Campaign "Sathyameva Jayate" organised by IQAC of the college.
