ACTION TAKEN REPORT ON FEEDBACK

- The feedback report was presented before the college council and CLMC
- The Principal appreciated the faculty as the students and alumni are content with the teaching quality and academic atmosphere provided by the institution
- The major areas which attracted serious attention were infrastructure maintenance and upgradation
- The college council and CLMC decided to mend the flaws and inadequacy by looking into the matter as a prime concern
- Upgradation of laboratories through maintenance and repair.
- Green initiative practices and approaches to make campus more eco friendly and plastic free
- Campus beautification and garden creation
- Decision was taken to make ICT enabled classrooms
- Strategies to conduct more placement drives and implement soft skill development programmes to equip the students in job market
- Programmes to strengthen alumni associations will be conducted
- Decided to adopt data management software
- To plan more social outreach programs, environmental and gender related initiatives
