### **ACTION TAKEN REPORT ON FEEDBACK**

**2021-2022**

- Reports of feedback from students, alumni, teachers and employers were compiled and presented before CLMC meeting.
- Even throughout the epidemic, the students indicated satisfaction with the institution's academic climate and instructional quality, which the principal acknowledged.
- Parts of syllabi which were taught in online mode shall be revised again in offline classes, as students raised concern over their understanding of certain concepts.
- As students gave mixed opinions on enhanced learning experiences, it's decided to inculcate more student centric approaches like flipped classrooms, project based learning etc.
- Areas which called for serious attention were infrastructure maintenance and upgradation of library, labs, seminar hall and playground.
- The college council and CLMC decided to give priority to the maintenance of labs and infrastructure and commence the work immediately.
- Eco-friendly strategies and campus beautification will be implemented.
- More classrooms will be ICT enabled.
- Placement drives and soft skill training will be given to students.
- Programmes will be planned accordingly to ensure maximum participation of alumni and strengthening of the alumni associations.

  
Dr. R. ANITHA
