ACTION TAKEN REPORT ON FEEDBACK

2022-2023

The report summarizes the actions taken in response to valuable feedback received from students, alumni, teachers and employers during the CLMC meeting.

- The Principal lauded the faculty members for sustaining high satisfaction with quality teaching and academic atmosphere in alumni and student feedback, emphasizing their tireless efforts.
- To further enhance learning experiences and cater to diverse student preferences, the institution will continue to introduce student-centric approaches like project-based learning, peer learning, classroom debates etc.
- The institution has already embarked on a journey of infrastructure revitalization, prioritizing library, labs, seminar halls, and the playground as highlighted in the feedback.
- Responding to the concerns in feedback, the campus is expanding its green initiatives with more green spaces, robust waste management systems, and energy-efficient systems.
- To bridge the digital gap, the institution will continue its commitment towards equipping the remaining classrooms with ICT infrastructure.
- To strengthen the employability skills, the institution has organized dedicated placement drives and soft skills training programs. Further, it has been decided to introduce online and offline job orientation workshops to equip students for their future careers.
- Beyond reunions, to strengthen the alumni relation, the institute will plan more impactful programmes focused on fostering meaningful connections.
- The college will actively organize more social outreach programs, gender-related initiatives, and environment-friendly activities to engage with the broader community.
- The institute will adopt a data management system equipped with analytics tools, secure storage, and automated reporting capabilities, for better data handling and enhancing accessibility.
