As a practice of collecting curriculum review, the institution collects feedback from students, teachers, parents and alumni. Feedbacks are also taken from the students regarding the performance of teachers. The feedback committee comprising of a coordinator and a team of teachers conduct the feedback survey between February second week and March last week of an academic year. The IQAC coordinator monitors the activities of the feedback committee.

Students Feedback on teacher performance and institution: At the end of the academic year, the students evaluate the overall performance of the teachers and institution. The evaluation areas include topics covered, teacher's attitude towards students, timely finishing of the topic, infrastructure facilities etc. The students also have freedom to give suggestions on teaching.

Parents Feedback: Each department conducts parents meeting during each semester. At the time of parents meeting, parent's feedback is also taken to know the opinion of parents. Based on the feedback, IQAC asks the teachers to take necessary steps to implement the suggestion of parents.

Faculty Feedback: Faculty feedback is collected to assess the overall curriculum and institution-based parameters

Alumni Feedback: The feedback is collected through various social networking facilities. Departments organize alumni meetings and feedback of the members are collected during these get-togethers.

The feedback committee submits the analysis report to IQAC and college CLMC. On the basis of the report, the main concerns are communicated to the Head of the Departments and faculties to take necessary actions. Infrastructural facilities will be developed. Based on the feedback, the teachers communicated the syllabus related comments to the concerned board of studies members. As per the feedback from the teachers, special classes and special times tables are organized well

in advance, so that the topics are covered at stipulated time. The suggestions of alumni to improve departmental activities will be carried out.
