## DEPARTMENT OF HINDI

### Activities of 2020-21

One of the oldest departments in the college, the Department of Hindi, offers specialization in Hindi language and literature under the credit & semester-based system. The department believes in providing exposure to new trends in language and literature through expert lecturers by renowned faculty members from different institutions. This year too, we started our activities by remembering Munshi Premchand, the eminent Hindi novelist and short story writer, in July. The programme was on July 31, 2020. All the faculty members and students of the department made the program every memorable. Overall contemplation of literary works and recitation of his chosen stories made the program very meaningful. In addition, we conducted various competitions among the students for developing their reading, writing, speaking and thinking abilities in the national language Hindi.

On September 14, 2020, we celebrated Hindi Day with various webinars and competitions. We conducted the webinar in association with the Hindi departments of four colleges under the Travancore Devaswom Board, DB College, Thalayolaparambu, D.B Pampa college, Parumala, Sree Ayyappa college, Eramallikkara and KSMD B college, Sasthamcotta. Our faculty members Dr Maya P Nair, Dr V.R Sharika, Dr Deepakumari, presented papers on various topics related to Rajbhasha Hindi.

## GANDHI JAYANTHI

**Date : October 2, 2020**

As part of Gandhi Jayanthi, we conducted a State Level Seminar on “Gandhian Principles in the Covid-19 Days”. Indu K.S., HoD, English Department was the speaker. The speaker gave us an opportunity to recall the four fundamental principles that Mahatma Gandhi taught:

Truth (satya), non-violence (ahimsa), welfare of all (sarvodaya) and peaceful protest (satyagraha). The speaker categorically reinstated that the Gandhian principles can hold people together during the time of covid-19 and hence form the backbone of dharma, which means “to hold together”. She explained that “Satya “means oneness in our thoughts, speech and actions and elaborated the Gandhian belief that “there is no religion higher than truth”.

### **SVEEP MISSION RALLY**

**Date: March 30 ,2021**

Students conducted Sweep mission rally from college to Thalayolaparambu covering a total distance of 7 KM by walking by holding placards with messages saying the importance of voting and to educate the people, Systematic Voters' Education and Electoral Participation program, better known as SVEEP, is the flagship program of the Election Commission of India for voters' education, spreading voter awareness and promoting voter literacy in India since 2009. Our volunteers have been working to educate and equipped the local voters in the college premises with basic knowledge related to the electoral process. We were able to support SVEEP's primary goal, that is to build a truly participative democracy in India by encouraging all eligible citizens to vote and make an informed decision during the elections. The programme is based on multiple general as well as targeted interventions which are designed according to the socio-economic, cultural and demographic profile of the state as well as the history of electoral participation in previous rounds of elections and learning thereof.
