NSS volunteers associated with popularizing the **Jal Jeevan safe drinking water scheme - Installation of water connection at Thalayolaparambu** undertaken by NGO Jawaharlal Memorial Social Welfare & Public Cooperation Centre

### **Popularization of Jal Jeevan-Safe drinking water**

**FIT INDIA PLOG RUN** which was launched by Shri.Kiren Rijiju, Hon'ble Minister for Youth Affairs & Sports, Govt of India

NSS Volunteers collecting Plastic and other Wastes

## Cleaning the surroundings campaign

### Cleaning Midayikunnam L P School by NSS volunteers

### Cleaning Karippadam L P School

### Cleaning Vaikom beach by NSS volunteers

### NCC cadets cleaning the surroundings of Community Health Centre

## AWARENESS CAMPAIGNS

**World environment day** was observed on June 6<sup>th</sup> 2021 by organizing **an awareness campaign through various social media platforms based on the theme “Save Environment: Save Biodiversity**. Students shared videos and images to alert the public on the risks faced by biodiversity like habitat fragmentation, species extinction etc. By this effort, students were able to communicate the need of biodiversity conservation to the society at large

## Refresher Course in Environmental Studies

A 14 day refresher course on Environmental studies was conducted by the Department of Chemistry under the UGC Stride Scheme of Mahatma Gandhi University, Kottayam-

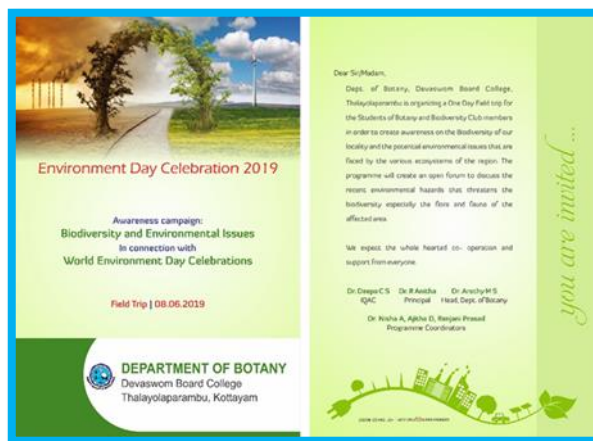

**Environmental awareness- Seminar organized by Samagra Siksha Kerala on 2021**

**Topic: Effect of biodiversity in the Development of Toid**

**Field Visit**

### **AWARENESS CAMPAIGN: BIODIVERSITY & ENVIRONMENTAL ISSUES**

World Environment Day was celebrated by carrying out an Awareness Campaign named “**Biodiversity and Environmental issues**” on the 8<sup>th</sup> of June 2019. A **field trip** was jointly organized by Dept. of Botany and Biodiversity Club for both Botany students and members of Biodiversity Club which has given an opportunity for students to directly observe the habitat diversity and species diversity existing among the flora and fauna of the study areas. They also witnessed the degradation of certain ecosystems due to natural hazards as well as anthropogenic influences. 36 students participated in the programme.

### **SURVEY**

#### **RAPID ASSESSMENT OF BIODIVERSITY LOSS AFTER FLOOD**

Selected 1<sup>st</sup> and 2<sup>nd</sup> year students participated in a field survey entitled ‘Rapid Assessment of Biodiversity loss after floods’ in Vellur and Maravanthuruth Grama panchayats during 16-30<sup>th</sup> October 2018. This was a programme planned and carried out as per the instructions of Kerala State Biodiversity Board. A field training for conducting the survey was given to the experts at Alappuzha. Subsequently, two grama panchayats were assigned for conducting the survey. Field survey in these areas was carried out by the selected Botany students after training under the guidance of Dr. Nisha A, Assistant Professor Dept of Botany, D B College, Thalayolaparambu who was included in the panel of Subject experts for the assessment. Different wards in these Grama panchayats were visited with the active involvement of ward members and data pertaining to biodiversity loss subsequent to flood was investigated. The report of survey findings was given for compilation by the ‘Biodiversity board’ which submitted the consolidated report with recommendations to the Government.
