AFFILIATED TO MAHATMA GANDHI UNIVERSITY, KOTTAYAM

E Governance Report 2022-2023

In the academic year 2022-2023, DB College Thalayolaparambu envisaged more work plans in connection with the establishment of e governance. The main areas where college focused the e governance implementations during the year 2022-2023 in addition to the existing facilities include:

- Administration
- Student support

In the area of administration, college made use of technology to operate more efficiently, transparently and more responsively. The use of portals like SPARK, BiMS, PRISM, GAIN PF etc. helped to reduce the errors and made the workflow easy.

Installation of Smart Board – Another major breakthrough in e governance implementation is the receipt of Smart Boards as a generous donation from MLA C K Asha. It is installed in class rooms. It was a valuable addition to e governance during the year 2022-2023.

Digital literacy Programme- College IQAC conducted a digital literacy programme as a certificate course in Computer Application supported by ICM Computers and My Blocks Kakkanad to educate stakeholders about the importance of digital literacy and its role in accessing and utilising e governance services effectively.

The purchase of an LMS named EMBASE is in progress.

In response to the growing demand for digital resources and as an e governance expansion, management provided institution with additional computers.
