GREEN INITIATIVES

ENVIRONMENT DAY CELEBRATIONS

Biodiversity club of Devaswom Board College celebrated World Environmental Day on June 5th. The theme for the year was *'Only one earth' – let's make it clean and green*. The day was celebrated by planting of herbs (medicinal plants) in the herbal garden by the students of 2019- 2022 Batch. Principal Dr. R. Anitha inaugurated the function. The students themselves brought the plants available from their locality and planted them in the garden as well at the Shantistall.

The Department of Hindi celebrated World Environment Day on 06/06/2022, by planting trees and emphasizing the importance of environmental conservation and sustainable practices.

PACHATHURUTHU: PLANTING OF VARIOUS CROPS/VEGETABLES WITH A THEME OF "YOUTH FOR HEALTHIER ENVIRONMENT"

The NSS Volunteers organized a health awareness campaign under the name "Youth for Healthier Environment" and planted tapioca, plantain, ginger, yams and turmeric in an area of 50 cents within the campus. The new vegetable garden was named as "Pachathuruthu". Principal Dr. R Anitha inaugurated the event by planting a stem of tapioca. In order to create awareness of the practices and skills needed in the maintenance of the cultivation of the crops among NSS volunteers, all works related to this venture like ground cleaning, planting crops, watering, manuring and nurturing of Pachathuruthu were done by volunteers themselves. This helped them to acquire a combination of skills and knowledge in farm practices, sustainability, environmental management and food production. Volunteers planted 50 plantains, 100 tapiocas, 10 Yams along with ginger, turmeric in the college premises. Every week a group of volunteers were assigned the job to water the saplings, and taking care of weeds and rodents.

ENUMERATION OF TREES IN THE CAMPUS

Enumeration of trees in the campus was mainly intended to increase undergraduates' interest in environment and to update the knowledge on plants and their conservation. The aim was to develop an eco-literate society so that we can better address the pressing environmental issues that lie ahead. The other objective was to document the tree species in the campus as part of green audit. This work is continuously carried out each year for updating the document.

POPULARISATION OF ‘JAL JEEVAN’ MISSION

Jal Jeevan Mission is a flagship programme which is envisioned to provide safe and adequate drinking water to all households in rural India by 2024, through individual water tap connections. The programme also aims at implementing source sustainability measures as mandatory elements, such as recharge and reuse through grey water management, water conservation, rain water harvesting etc. The Jal Jeevan Mission is based on a community approach to water and includes extensive Information, Education and Communication as the key components of the mission. The

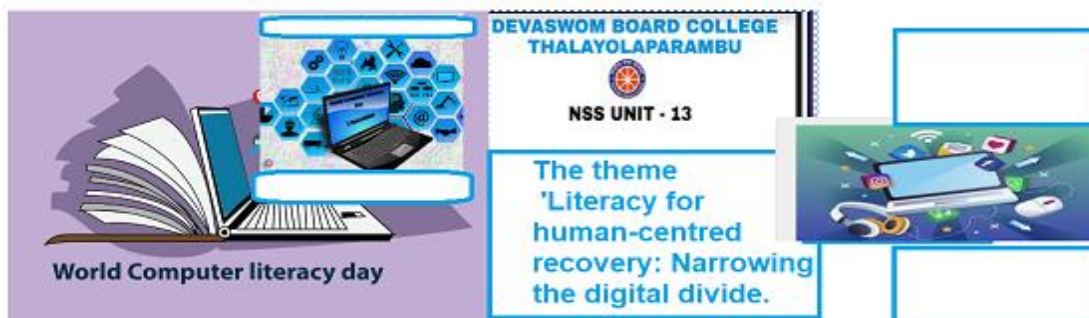

theme for Jal Jeevan 2022 was “I am for water, thereby making it everyone’s priority. The installation of the water connection was undertaken by an NGO named Jawaharlal Memorial Social Welfare & Public Cooperation Centre at Thalayolaparambu. NSS volunteers joined hands with this NGO for popularizing the Jal Jeevan safe drinking water scheme. The volunteers supported this venture by visiting local public and making them aware about the availability of water and significance of Jal Jeevan Mission. Volunteers visited the households of the NSS adopted village so as to make the villagers aware of the importance of safe drinking water. 20 NSS volunteers partook in this popularization mission.
