6.6.11. Write a brief summary on Digital Policy followed by the Institution(Not more than 200 words)

Digital Skills and Citizenship

The institution promotes responsible, ethical, and effective use of digital technologies. Students and staff must develop digital literacy, online safety awareness, and data protection practices. Responsible digital citizenship includes respectful communication, academic integrity, and adherence to cyber laws to foster a secure, inclusive learning environment.

E-Governance and Administration

E-governance enhances transparency, efficiency, and accountability in administration. Digital platforms are used for admissions, finance, communication, and record management. Secure data handling, paperless operations, and timely information sharing support effective decision-making and coordination.

Training and Enforcement

All new employees receive basic IT training. Misuse of equipment, illegal activity, or violation of network policies may lead to disciplinary action.

Video Surveillance

CCTV cameras ensure campus safety and crime deterrence. Footage, retained for fifteen days, is accessible only to authorized staff or law enforcement when required.

IT Hardware and E-Enabled Classrooms

IT hardware and peripherals must be used responsibly for educational and administrative purposes. E-enabled classrooms equipped with smart boards and projectors enhance interactive learning.

LMS, Internet, and Email Usage

Moodle is the official LMS for course management and communication. Institutional internet and email must be used only for academic and official purposes, ensuring security and accountability.
